

Dummy Load DC-3GHz

Main Features

- > Wide-band design, cover DC-3GHz
- > Low VSWR
- > Compact size and light weight
- > Easy to be installed
- > Suitable for indoor and outdoor applications

Model and Description

Model Number	Description of Product
A213GRDL50W	Dummy Load 50W
A213GRDL100W	Dummy Load 100W
A213GRDL200W	Dummy Load 200W

Electrical Parameters

Model Number	A213GRDL50W	A213GRDL100W	A213GRDL200W
Power Average (W)	50	100	200
Frequency Range (GHz)		DC~3G	
VSWR		≤1.2	
Impedance (Ω)		50	

Mechanical Parameters

Dimensions (mm)		226.5x142x64
Weight (kg)		3.1
Port Type	N Male or N FeMale	
Radome Material	Aluminum	

Environmental Parameters

Operating temperature range	-35°C~+75°C
Storage temperature range	-40°C ~+85°C
Relative humidity	0- 95%
Applications	IP65
